

Progress & Possibility

REPORT TO THE COMMUNITY FOR 2025

A Message from Our Chair

When I think about 2025, one of the clear highlights of the year was our Endless Summer – Lakeside event! On this special evening, friends, neighbors, physicians, staff, and Foundation supporters gathered in support of our Ojai Hospital. In addition to being more than a wonderful night out, it became a record-breaking event for the Ojai Valley Hospital Foundation and Guild.

That evening, guests had the opportunity to make a special gift during the event to support a specific hospital need: 15 new Stryker ProCuity LEX patient beds for Community Memorial Hospital – Ojai. At the time, this moment of giving was the most successful of its kind in our Foundation’s history, raising more than \$35,000 toward the purchase of these new beds. Altogether, through sponsorships, ticket sales, and generous giving throughout the night, Endless Summer – Lakeside raised \$296,475 for our Hospital and Continuing Care Center.

That spirit of generosity carried through the entire year. In 2025, the Ojai Valley Hospital Foundation raised \$1,048,975. Every gift, no matter the size, reflects a shared belief that having excellent care close to home matters deeply in the Ojai Valley.

In 2026, our Foundation is focused on “Powering the Future” with infrastructure for modern healthcare in the Ojai Valley. This initiative will make critical improvements to the infrastructure that supports care on our hospital campus — including major electrical upgrades that will allow us to bring MRI services back to the Ojai Valley and support the advanced medical technology our patients need. It will also improve access for patients, families, and staff through expanded parking, enhanced traffic flow, safer entry points, and a campus that is easier to navigate.

Powering the Future is an important next step because before we can modernize facilities and services, we must first strengthen the site that supports them. It is a thoughtful investment in the care our community needs today and the facilities our hospital will need in the years ahead.

As we move forward, our work is rooted in both progress and possibility. We are dedicated to improving care for the patients who need us today, while preparing our campus for the healthcare needs of tomorrow. Thank you for believing in this work, for supporting our Hospital and Continuing Care Center, and for helping ensure the availability of modern healthcare in the Ojai Valley for years to come.

In good health,

Stephen E. Frank

Ojai Valley Hospital Foundation Guild 2025 Events

The **2025 Nightingale Ball** was again held at the Farmhouse at the Ojai Valley Inn. Chaired by Ron & Linda Phillips, the event honored Dr. Jim & Robyn Halverson for their countless contributions to the community of Ojai. The evening's festivities included a luxury raffle, live music, and dancing. The 2025 Nightingale Ball raised over \$216,000.

The second annual **Endless Summer – Lakeside** event drew over 275 people to the banks of Lake Casitas for a laid-back evening under the stars. Attendees enjoyed private boat tours of Lake Casitas, signature cocktails, a gourmet Greek-style dinner, live music and dancing. The event raised a record-breaking \$296,475!

Ready & Responsive

For many older adults in the Ojai Valley, having expert emergency care close to home can make all the difference. Community Memorial Hospital – Ojai is proud to have earned Geriatric Emergency Department Accreditation, recognizing the hospital's commitment to providing thoughtful, high-quality care for older patients in our Emergency Department.

This accreditation reflects important work behind the scenes — from staff education and senior-focused care practices to specialized supplies, mobility support, and improved planning for patients as they transition home or to another level of care. **It also reinforces something Ojai families already know: our Emergency Department is a vital resource that stands READY, especially for those who may have difficulty traveling outside the valley for care.**

New Beds for Our Ojai Hospital

Thanks to your generosity, the Foundation purchased **15 new Stryker LEX ProCuity patient beds** for our hospital! Since their arrival, these have helped patients rest more comfortably, move more safely, and begin getting out of bed sooner — all important parts of healing and recovery. Features like supportive gel mattress surfaces, low bed height, built-in scales, and integrated nurse call access are designed to reduce unnecessary movement, keep patients connected to their care teams, and enhance the experience of both patients and caregivers at Community Memorial Hospital – Ojai.
